GUIDANCE:

From identifying potential schools to paying your first college bill, planning for college requires you to be motivated, organized, and thorough. Follow our checklist for college admissions and financial aid to stay on track. [Read the article here.](#)

Navigating College Athletics

Learn how a high school athlete hoping to play sports in college can communicate that interest, how recruiting works, and how athletic scholarships are awarded. [Read the article here.](#)

We have three new scholarship blog posts that each include several opportunities to win money for college costs. Don't delay in checking out each of these lists:

- [Scholarships with Fall Semester Deadlines](#)
- [Scholarships with Deadlines in October](#)
- [Scholarships for Nursing Students](#)

District Attorney's Youth Advisory Board

(Grade 11 &12)

The District Attorney's Youth Advisory Board **consists of local junior and senior high school students who meet on a regular basis with the District Attorney's Office.** The objective of the Board is to address issues facing today's teens and research effective prevention strategies.

Career Outcomes by College Major

As you start to ponder life after high school, those thinking about college might be thinking about college majors too. You may have questions about employment prospects for your major, what your expected earnings might be and whether you will need a graduate degree to succeed. Click here to view this [interactive from the NY Fed](#) that provides data and more on 70+ majors.
